

## Use of Pupil Premium to support pupils at St Peter's Catholic Primary School 2015-16

### What is Pupil Premium and who is it targeted at?

The pupil premium is a Government initiative that targets extra money at pupils:

- in receipt of income based Free School Meals (FSM) or who have been eligible for FSM at any point in the last 6 years;
- children in care (CLA) or recently adopted;
- children whose parents are serving in the armed forces or have done at any point during the last 4 years.

Research shows these children are more at risk of underachievement than their peers. The premium is provided in order to support these pupils in attaining as well as their peers who are not disadvantaged. Please read the Pupil Premium Policy in association with this statement.

### How are we at St Peter's spending our share of the funding?

The allocation for Pupil Premium funding at St Peter's 2015-16 is £80,900. Detailed below is the intended spend. The Pupil Premium funding may have a positive secondary impact on all children at the school, or on some other children who are not disadvantaged; as some of the ways money in a school are spent can not be targeted only at Pupil Premium children. Costings are approximate.

Use of funding	Intended impact	Cost
Child and Family Support Worker - 28 hours per week	Improve attendance and punctuality. Tracking of specific needs, progress, attainment and support for PP children to ensure good value for money and removal of barriers to learning.
